

Welcome March!

March is filled with so many fun things to do. Many of you will have spring break and most of you will be out enjoying the perfect weather. Spring training is in full swing and our first DBacks game will be up for grabs, Saturday, March 28th vs. Braves! Look for announcements in the emails and on FACEBOOK.

Save the date - we will have the **Annual Ice Skating Party**, Friday May 8th from 4:15 p.m. – 6:15 p.m.

You still have a few weeks to enter to win tickets to:

Contest ends March 11th - Good Luck!

Your Child and Cheese

Did you know recent research shows cheese is one of the healthiest snacks for your child's teeth? In addition to providing large amounts of much-needed calcium, cheese also does its part to fight cavities. Cheddar, Swiss, Mozzarella, and Monterey Jack all stimulate the body's salivary glands to clear the mouth of debris and protect teeth from acids that weaken them. This means cheese disrupts the development of cavities, especially when eaten as a snack or at the end of a meal. Calcium and phosphorous found in cheese reduce or prevent decreases in the plaque's pH level and work to re-mineralize the enamel of your child's teeth.

cheese*

Patient Bryanna

Dr. Kerr is thanking Tanvi and Aarov for their kind referral to our office. We appreciate when you tell your friends about us. To thank you, we have a gift card with your name on it!

Jackson and Madison had fun at their appointments. They are learning to keep their smiles bright!

Elqut had a great visit! He is doing a good job taking care of his smile!

Welcome new patient Chase! He had a great first visit.

Reiley showing off his great smile! He is doing a good job being a good brusher.

Bryanna was the "As You Wish" contest winner. Here she is enjoying her pottery. Congratulations!

We Appreciate Your Referrals To Our Office!
